A MESSAGE FROM THE PRINCIPAL

Dear Parents and Caregivers

On Monday 5th August, Glenfield Intermediate hosted our annual Open Evening for Year 6 students and parents. We had an excellent turn out and were very excited to share the wide variety of programmes on offer at GIS. I was very impressed with our current students who attended and showcased these amazing programmes. They were great ambassadors for our school and really demonstrated that they are inspired, challenged and empowered learners who live by our core values of respect, responsibility, resilience and relationships. Thank you to all the students and staff that made this event a success.

The first week of September sees our School Production 'Shakespeare on Trial' finally come to life. We have two evening performances and the students are so excited about putting on the show. I have been so impressed by their commitment and dedication to the production as they have been rehearsing both during and after school. A special acknowledgement to Mrs Walsh, our amazing performing arts teacher who has made this production possible. Keep an eye out for notices regarding ticket sales as they are already in hot demand.

Thank you all for your ongoing support of Glenfield Intermediate as we strive to inspire, challenge and empower our community.

Ngā mihi

Mark Whitford
Principal

Japanese Visitors

On Tuesday 13th August we welcomed students and staff from Hakata Junior High School in Fukuoka, Japan. Hakata Junior High is our sister school who we visited last year. It was great to see some familiar faces from the GIS Tour in 2018.

To welcome them, we held a special powhiri and the kapa haka performed several items. In return, the Hakata Junior students performed their school song and a special Japanese dance. The students have been immersed in our school for the week and had the opportunity to try traditional Māori games, and even did a 'Fear Factor' Food Challenge!

Thank you to the GIS families who have hosted our Hakata Junior High students and given them some wonderful 'kiwi' experiences that I am sure they will never forget.

GIS is a PB4L School

Our purpose is to encourage students to take responsibility for themselves by providing a consistent, positive approach to behaviour.

Enrolments for 2020

If you have another child, or know of neighbours that have children that may attend GIS next year, please check this newsletter or the school website for enrolment details. Alternatively please contact the school office for information. It is hoped all enrolments for 2020 will be received by the end of Term 3. This deadline is important to ensure we can plan for 2020 accordingly.

Road safety

Student safety is an issue that we take very seriously, and there are some unsafe behaviours occurring around the school gate at drop off and pick up time. There are two key issues that need to be addressed by the community to ensure the safety of all our students.

1. There is to be NO stopping or parking on yellow lines.
2. NO cars are allowed inside the school grounds to drop off or pick up a student. Please drop off and pick up outside the school grounds.

Celebrating student success and achievement

At GIS we celebrate student success and progress in a variety of ways. At school assembly, teachers nominate students to receive a Principal's Award based around our school values. Congratulations to the following students who received a Principal's Award for Responsibility at today's Assembly.

Well done to both our teams that took part in the basketball zone days this week.

Our girls played 4 games throughout the day and played they best they could against some tough competition.

The boys team placed 2nd overall, with two very close games during both the semis and finals. Throughout all of their 6 games, they showed true Glenfield Grit. A huge thank you also to Dale who coached the team throughout the day.

Absences

A reminder that the school must be notified if your child is going to be absent from school. Please inform the office before 9.15am. Failure to do this adds a huge workload on our office staff who have to contact parents/caregivers if we have not been notified of an absence. Notification of an absence can be done by either phoning 4446582, and leaving a message on the Absence line, via our Flexibuzz App or via our Contact Us page on our website www.glenfieldint.school.nz.
